Dear Mr. Slagle:

On behalf of the Spring Grove Lumberjax Lacrosse Club, I would like to thank you and the entire SGASD Faculty, Students, and Staff in helping our organization promote youth Lacrosse in Spring Grove.

It is my pleasure to present a check for \$1,000 to uphold our promise to help fund the start up costs of the High School Lacrosse Program. To date this is a total of \$11,000 donated from our commitment of \$15,000. With out the use of the SGASD fields and facilities for regular season play and our annual Lumberjax Shootout Tournament, this donation would not be possible. I truly value our partnership and look forward to working with you again next season.

In addition to the donation to assist the High School Lacrosse Program, we are also interested in working with the SGASD PE Department and would like to discuss with you the possibility of donating lacrosse equipment so that lacrosse can be taught in the Elementary, Intermediate, and Middle School Gym classes. I think that introducing Lacrosse at a young age in the schools would help our club recruit new players and in turn get them ready to play for the Spring Grove High School Team. I would like to discuss this with you at your convenience.

Sincerely,

Ted Griffiths
President
